

Awaken Now My Love – words & music by Terri Shamar © April 2003/2017

The Lord is your Shepherd
A Rock and a Shield
Your heart, He will strengthen
By grace, you are sealed...

When you see the enemy
Encamped all around
The Lord will deliver you
From the lion's mouth...

(Chorus)

Awaken now, My love
Shake yourself from the dust, Rise up!
Loose yourself from those chains
Come out of your cave
Awake....

(Verse 2)

When you walk through the fire
You will not burn
When you pass through the waters
You'll not overturn....

Remember not former things
Nor ponder the past
I'm doing something new
My Promise will last....

(bridge)

Rise up now, O dry bones
It is time to come home
Come to Me, I'm calling You
Here's My life I breathe in You....

Awaken now, My love.....

(repeat chorus twice)
